

## What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

### Effective Compacts:

- Link to goals of the school improvement plan
- Focus on students learning skills
- Describe how teachers will help student develop those skills using high-quality instruction.
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress.
- Describe opportunities for parents to volunteer, observe, and participate in the classroom.

### Jointly Developed

The parents, students, and staff of Kendrick Middle School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on student needs

*Parents are welcome to submit comments at any time. If you would like to volunteer, participate and or observe in the classroom, please contact the front office or the Parent Liaison at 770-472-8400*
